

## We Are 10

2017 marked the 10<sup>th</sup> anniversary of the appointment of Western Australia's first Commissioner for Children and Young People. To commemorate this event the Commissioner invited all Year 4 students in W.A. to participate in the 'We are 10' Project.

Woodlupine students competed against more than 160 schools, submitting the work of our Year 4 students against a total of 4,276 students Statewide.

We were delighted to find out that Alex Crosbie was the South Metropolitan Education Region winner. Congratulations to Alex. We are also very proud of James Daly who had his work chosen for the cover of the "We are 10" book. A copy of the book is available on our website.

We were invited to attend a presentation at the State Library where 10 students read out their entry in front of a theatre filled with dignitaries including the Governor of Western Australia, Her Excellency, Kerry Sanderson.
