

Kiara College Farm

On the 9th May, Rooms 2, 3 and 5 went on an excursion to Kiara College Farm.

First we saw a sheep and then we patted a lamb and then we went in a shed to see some chickens and then we saw fish and we saw some yabbies.
Next we saw some cows and we saw calves and we saw a mum pig with her baby piglets. Finally we got our own egg each. Last we went back on the bus.
