

The Choir

On the 27th of July the Woodlupine Choir walked down to the Woodlupine Family Centre to perform for the elderly citizens of Forrestfield.

The Choir left school at 1pm.

Outside the Family Centre we could see the audience getting ready for our performance.

The choir sang several songs, Turn the Beat Around, Saltwater, Colours of the Wind, Waterloo, Lean on Me, Time of Your Life and Green Door.

Everyone was feeling a little nervous but we think the performance went well.

It looked like the audience liked it because some people were dancing and looked like they enjoyed themselves.

We came back to school at 2:35pm and joined our classes.

We will like to say thank you to Mr Vander Meulen for organising the Woodlupine Choir to perform and help with our practice.
