

# From the Chaplain

**On Monday 4<sup>th</sup> September, Judith Pescodd Deputy Principal and Chris Judd School Chaplain at Woodlupine PS had an opportunity to meet with Mr Stephen Price MLA and other school Principals and Chaplains in our area to discuss the problems facing school communities Forrestfield. During the round table discussion, we heard that the other schools in the area are faced with the same issues. Ms Pescodd pushed the need to have the support and resources readily available in the Forrestfield area. It was a pleasure to spend time with Stephen and have him listen to the concerns raised during the discussion.**
