

Star Wars Day - May the Fourth be with you

We celebrated Star Wars day in EL3 with lots of different activities. We wore Star Wars clothes and brought our toys to school to play with our friends.

We made rockets with George's Dad, Phillip. We drew Star Wars characters. We made Darth Vader, Yoda and R2-D2 out of shapes. We painted BB-8 and the Death Star. We listened to the Star Wars theme song. We wrote a silly Star Wars story. Everyone had to pick a place, a character or an action and we put them together to make a silly story based on the start of the Empire strikes back.

Our Star Wars Story

A long time ago in a galaxy far, far away.....

It is a dark time for the rebellion. Although the Death Star has been destroyed. Imperial troops have driven the Rebel forces from their hidden base and pursued them across the galaxy. Evading the dreaded Imperial Starfleet, a group of freedom fighters led by Luke Skywalker has established a new secret base on the remote ice world of Hoth. The evil lord Darth Vader obsessed with finding young, Skywalker has dispatched thousands of remote probes into the far reaches of space...

Kylo Ren flew to the planet Naboo and got Watto to fight Obi-Wan Kenobi at Hoth. Yoda was kind to a Stormtrooper at Kamino. The Ewoks launched rockets from the Ewok village. Xizor is a friendly creature from Kamino. Rey tried to fly the Death Star and Darth Vader ran away from the Death Star. Queen Amidala helped the people of Dagobah. The end
