

What's happening in Room 12?

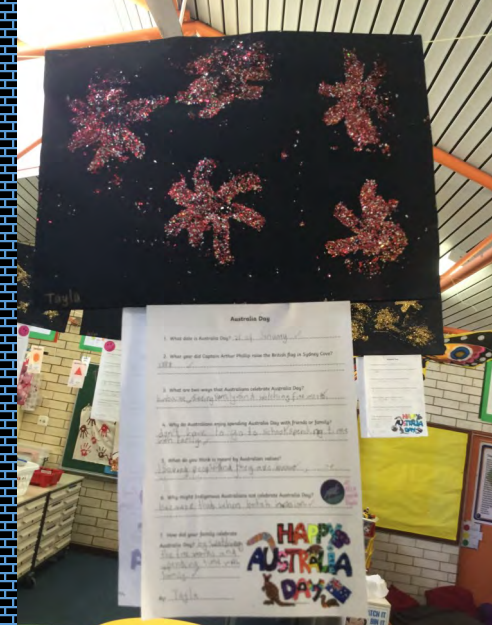

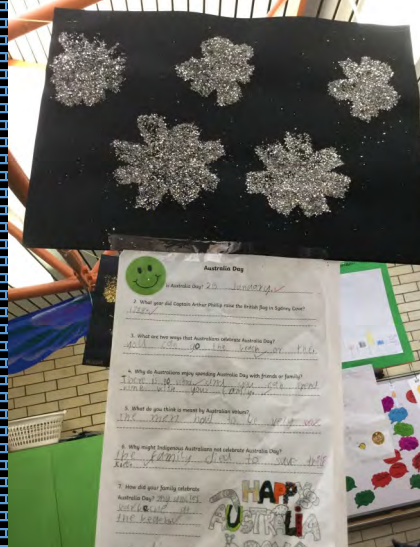

We had a session in Harmony Creek with Tammy. She told us about the plants in the garden.

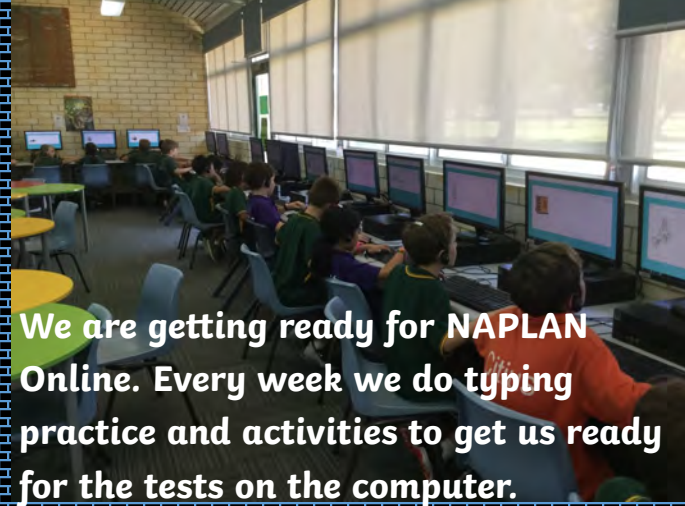

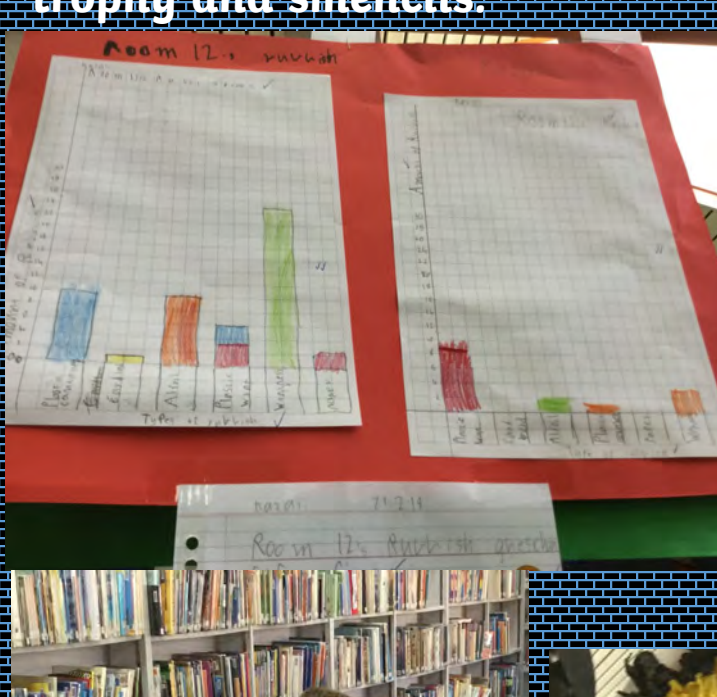

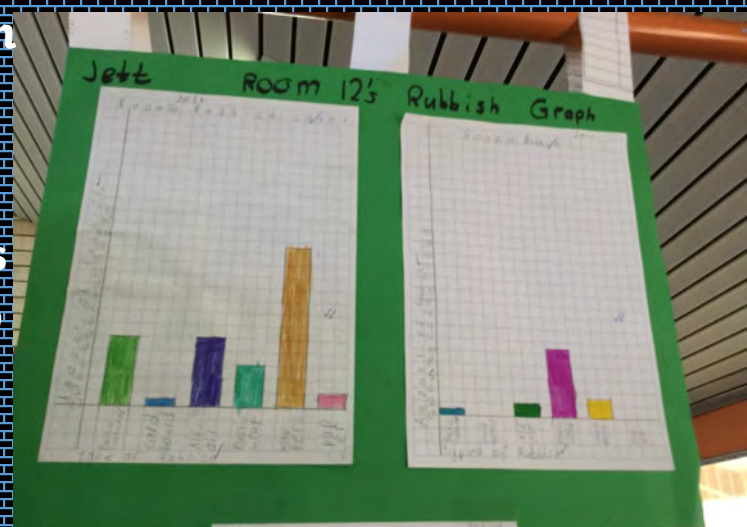

We had a discussion about our rights and responsibilities at school. Then we had to write down what we talked about.

We talked about Australia Day and then we got to make fireworks out of glitter.

We tallied and graphed our rubbish on 2 different days. Miss Jane surprised us the day before Waste Wise Wednesday. We had 54 pieces of rubbish! The next day we had 19 waste free people and only had 15 pieces of rubbish. We won the trophy and smencils.

We set goals for term one. We decorated an emoji with tissue paper and glued our goal on the back.

We are getting ready for NAPLAN Online. Every week we do typing practice and activities to get us ready for the tests on the computer.
