

Makuru Block Excursion

On Wednesday, the students from rooms 9, 12 and 14 went on an excursion to the Perth Hills Discovery Centre in Mundaring. We participated in 3 different activities; a traditional story with face painting, an invertebrates hunt and a bush walk.

We saw lots of animals during the day - a scorpion, a goanna, spiders, millipedes, butterflies, birds and lots of lots of flies! They were everywhere!

Thank you to all the parents who came with us. We had a great day!
