

Ahoy Matey!

It has been all hands on deck getting ready for 'Pirate Day'
on Friday the 8th June, 2018.

Pirate Day Friday is an annual national event created to generate awareness and much needed funds for children's brain cancer. All funds raised are allocated to research projects across Australia through The Adventurers and The Kids' Cancer Project.

In collaboration with our Year 2 friends in Room Five we worked together to create pirate hats from recycled newspaper, drew a story map about the book "The Man Whose Mother Was A Pirate" and made pop stick pirate puppets. It was fabulous to see everyone working together to help each other out and problem solving when they were me with challenges. We talked about pirate sayings and vocabulary as we wrote an independent narrative about a pirate, which we hope to publish and display on our class writing wall.

We are all excited to participate in the pirate themed activities on Friday and you will have to check Connect for more photographs. Savvy...!? –Room One.
