A 21ST CENTURY SCHOOL

From the Principal

PLANNING FOR 2022

Planning for 2022 is well underway. Our Board is discussing options for increasing attendance and a possible new LOTE language in 2022. The 2021 Parent and Carer survey will be sent to all families soon. Please complete the survey as it really does help us to ensure our school meets the needs of our community.

CYBER SAFETY

We have recently had some issues with cyber bullying occurring out of school. While this is not happening at school, it affects our student well-being. We would like all parents to be sure they are aware of the sites and the contacts students are engaging with. Some of our senior students have produced some excellent advice on cyber-safety elsewhere in this issue.

SCHOOL IMPROVEMENTS

Our covered assembly area is now air conditioned thanks to a generous election pledge from the WA Government and our sitting member Mr Stephen Price. While the weather hasn't required it to be used much yet, it will prove to be very useful in the weeks and months to come.

BOARD MEETING

Our school board met last night where inaugural Board Chair, Ms Pam Hutchins, announced her resignation as chair. Our board and school owe a huge debt to Pam for her long term support of our school both with the P&C and Board. Mr Philip Humphrey was elected as our new Chair.

The Board also reviewed school performance and plans for 2022. Items discussed included:

School Finances;

2021 NAPAN performance; and

Parent and Student Surveys.

DAYS FOR GIRLS

MLC, Ms Donna Faraghar, was in our school on Wednesday looking at our Days for Girls program that supports underprivileged girls in many third world countries. Ms Faraghar generously donated a number of items and money to support the program.
