21<sup>st</sup> August  
Students do  
not attend

## A 21<sup>ST</sup> CENTURY SCHOOL

### From the Principal

Woodlupine Primary School has made a commitment to ensuring all students are catered for, including those who are very talented. We have a STEP program for students who are strong in numeracy and Coding Club for those who are interested in robotics.

Today, three of our year six boys represented our school in “My School Rules” – an academic competition between local schools. They were victorious, beating teams from Forrestfield and High Wycombe.

### PEAC

Unfortunately, due largely to COVID restrictions in Melbourne, no confirmed dates can yet be set for PEAC testing in 2020. However, I can assure you that Year 4 students in our school will get the opportunity to sit the PEAC test this year. They will not miss out. Thank you for your patience.

### School Development Day 21st August

As per our term planner, parents are reminded that next Friday, 21st August, is a pupil free day. As per all other pupil-free days, this one has been advertised on our website for a considerable time. Please continue to monitor our website for these and other important dates.

### Athletics Carnival

At this stage I am anticipating inviting all parents to the faction carnival as per last year – Covid permitting. There is enough space on our oval for parents to attend as long as we are mindful of social distancing. We will notify parents immediately if any changes are needed.

### Pregnancy warning label introduced on alcohol products

Cancer Council WA is pleased to share that the Australian and New Zealand Food Ministers have voted to introduce a mandatory red, black and white warning label on alcohol products about the harms from alcohol use during pregnancy.

The warning labels will play an important role in raising awareness of the risks associated with alcohol use and preventing the devastating and lifelong harm to unborn babies.

Speaking of babies.... Last night a new little sister arrived for Freshta, Parasto, Mahdia & Arash .

Congratulations to the Nazari family.

Stay Safe and Healthy
