Students start Term 3

A 21ST CENTURY SCHOOL

From the Principal

Our school has been recognised for its exceptional work in supporting student wellbeing, attendance and learning. We have been nominated for an Institute of Public Administration Australia (IPAA) award. Our CREW program, which supports students in the way they think, collaborate, interact and learn, has been recognised as being exceptional practice. The award winners will be announced on the 3rd December.

SEED PROJECT UPDATE

Our seed project continues to provide opportunities for our students. Recently, Dr Andrew Crawford brought out a new species for us to grow - Pink Mountain Bell.

CHANGES TO STAFFING

Changes to staffing occur regularly in schools for a variety of reasons. Illness, long service leave, retirements and many other reasons impact on our home lives and working lives. We will have a number of changes to our staffing next term as detailed below:

Mrs Horsham is taking long service leave for all of second semester. Mrs O'Sullivan will take over our Visual Arts Program.

Mrs Leatherday will finish during third term. Miss Nazarri is working with Mrs Leatherday currently and will take over as the term progresses.

PEAC

PEAC testing of all Year Four students will occur next term. A Connect note has been sent to parents.

WINTER CARNIVAL

Our winter carnival teams competed very strongly against much larger schools last Friday. Our Netball team finished second in their tournament. Our AFL team finished fourth. Our Soccer team won the B Division trophy. It was a terrific day out for all of the students and their coaches. It was also great to see so many parents who were able to come along and support our teams. We are now moving into athletics and cross country training.

Stay Safe and Healthy

Trevor Phoebe

Netball

Netball is one of 3 sports included in the Winter Sports Carnival. Netball is in fact a group sport. Where teamwork plays a large role; every member must try their hardest to not only win but have a great time.

I can say with full certainty, that every one of our team members tried their best, persevered and gave respect to all other teams. We held full reliability between team members, persevered, gave our best, and it payed off in the greatest way.

I think we all worked together and cooperated, we all played fairly, and I think that was our best attribute as a team. We didn't know a chant; but a handshake was

fine, and we even chased them to get a handshake if we had to.

In the end, Woodlupine Primary School's netball team came second, only beaten by 2 points in the end. We are all proud to have played our best, and we would do it again anytime.

Cody, Year 6

Football

The Woodlupine football interschool team played very well as a team. We won 2 out of the 5 games we played. Tristan and Ethain kicked a lot of goals, and everyone worked hard to pass the ball so that these goals could be made. We won against Forrestfield and Dawson Park. We had a very good captain in Chase F and a great co-captain in Jett who trained us at recess and lunch before the interschool. In the first game we were very excited to play. Thank you, Mrs Kleinhanss, for organising this for us and Mr Phoebe for coaching us.

Ethain, Year 5

Soccer

At soccer we all played a good team game, and we won the trophy. The best part was probably when we beat Edney's B team 7 to 0. Some of the highlights are that we won most of our games, we all played the best we could, no one wanted to get off the field, we cheered for the other teams, Brooklen scored the most goals out of all of us and Connor was the best goalie. Jacob and some other of our teammates were playing the best they could, and I think we earned the trophy. 2 years ago, we did not win a single game but this year we won all the games and we had one of the best teams.

Chase J, Year 6
