

SAFETY

Children should go directly to and from school via a planned route. Regularly remind children of road rules, and protective behaviours. Students in Year one and below must be dropped off and picked up by an adult.

Our Staff does not provide playground supervision after hours. Unsupervised children are not permitted to use playground equipment.

SCHOOL BOARD

The School Board comprises of school parents/carers, teachers and community representatives and is a forum for the school community to work together to ensure the best outcomes for all students.

STUDENT LEADERS

These leaders promote positive values and active citizenship. School leaders are selected from the Year 6 cohort.

STUDENT SERVICES

The school psychologist assists in the development of skills and programs to support student learning. Parents sign referrals to authorise the school psychologist to work with their children.

SCHOOL CHAPLAIN

Our School Chaplain provides support to our school community. They may assist individuals or families with social, emotional, physical and general well-being issues. They also provide support for grief, family breakdown and other crisis situations, and build links with the local community, agencies, churches and other appropriate networks to support the school community.

SICK CHILDREN

Illness can spread very quickly through a school and all members of our school community should act responsibly by not sending sick children to school. If a child is found to be ill at school, parents will be contacted and asked to take them home.

ABSENCES

An explanation is required for all student absences. Parents or Carers can explain an absence directly to the teacher, or send a note, or email or telephone reception. Attendance checks are regularly completed, and standard letters are sent home for unexplained absences. Holidays need to be approved by the principal.

ACCIDENTS & INJURED CHILDREN

Teacher judgement determines whether a parent is notified over an injury to a student. In the case of serious injury, and inability to contact the parent, the principal may arrange for a child to be treated by a medical professional. It is very important for the school to have your current contact details.

ASSEMBLIES

Regular school assemblies are conducted in the undercover area at 9am on Fridays. *Please refer to the school website and Connect for an up to date schedule. *

BREAKFAST CLUB

Breakfast Club is held Monday to Friday in the undercover area from 8.10am to 8.30am. All students are welcome.

CARS & PARKING

Parking for parents & carers is next to the staff car park. We ask that parents do not use the staff carpark. The beginning and end of the school day is a very busy and congested, and all drivers need to show care and consideration to avoid the risk of a child being injured. There are pedestrian footpaths next to both carparks.

DOGS

We take health and safety very seriously. Dogs are not permitted on school grounds under the Occupational Health and Safety act 1984.

ENROLMENTS

Parents should complete enrolment forms at the school office. An extract of the child's birth certificate, immunisation card and proof of address needs to be presented upon enrolment.

FACTIONS

School factions are Altius (Blue), Citius (Orange) and Fortius (Purple). Faction points are gained through sporting activities and citizenship. Children are allocated a faction soon after enrolment.

HEAD LICE

The school will notify parents identified with head lice. Parents need to collect students as soon as possible. Students cannot return to school until hair is treated and there is no live activity. Useful info can be found at www.health.wa.gov.au/headlice

HEALTH PLANS

There are many and varied medical conditions that require specific handling such as allergies, heart conditions or epilepsy. Children with special health needs that require specific handling will require a Health Management Plan. Forms are available from the school office which your Doctor will need to complete. This medical advice is used by the school to create an Individual Health Management Plan. Health Management Plans with a photo of your child are displayed in the medical room, staff room, offices and other staff work areas.

MEETINGS WITH TEACHERS / PARENT CONCERNS

Teaching staff are available for meetings throughout the year. All meetings should be arranged in advance with the teacher or through the office to be held at a convenient time.
