## A 21<sup>ST</sup> CENTURY SCHOOL

### From the Principal

#### *Book Week*

We held our annual Book Week Assembly on Tuesday. It was another tremendous success – see photos elsewhere. Once again, our school worked in conjunction with parents and external agencies to highlight the importance of learning to read. Perth Airport very generously donated a book for every student in the school. Our very supportive P&C donated a \$20 book voucher for each class. Our ever-improving reading results are testament to the success and importance of these types of events. Thanks to Mrs Margraf and Mrs Pescodd for their efforts in organising and managing the donations and the assembly.

#### *Farewell Mr V*

It is with great sadness that we say farewell to Mr Van der Meulen. Mr V has left us to take up a job in Central Office as part of the Education Department's Covid-19 advisory team. Mr V has been part of the furniture at Woodlupine for many years and has made significant contributions to our school processes, policies, carnivals, concerts and assemblies. He instigated our pre-primary ICT program and managed our 150 ipads and 77 PCs while teaching music across the school. His work in teaching complex whole-school songs and in growing and developing our school choir will be sorely missed.

Mrs Eleni O'Sullivan will fill in as music teacher for the rest of this term.

#### *Artist in Residence*

We would also like to welcome Mr Leigh Merrells to our school as our artist in residence. Mr Merrells will be teaching children about indigenous culture and developing a school mural with input from our students.

#### *End of Year*

As fourth term always flies by, we have begun organising end of year event. The end of year concert will be held on Tuesday evening – 15<sup>th</sup> December. Reports will be digitally sent home on Wednesday 16<sup>th</sup>. The Leaver's assembly will be held the following day - Thursday 17<sup>th</sup> at 9.00am.

Stay Safe and Healthy

## Sporting News

Term 3 finished with the Interschool Athletics Carnival, two days of events at High Wycombe and Edney Primary Schools.

Woodlupine produced some excellent results, especially in the team games where we placed in the top three for most events.

We had some great individual performances as well as two medal winners. The most notable place getters were Alice and Grace who took out the top two places in the Year 6 Long Jump. Congratulations to Grace who won Year 6 Champion Girl and Tawny who was equal Runner Up Year 4 Girl.

I was particularly proud of all the children who attended, for the effort they put into pre-carnival practices and their wonderful behaviour and positive attitude on the day. Congratulations to all competitors on a great effort!

## Phys. Ed. News

Our Phys. Ed. focus at the start of term four is tennis. All classes from Pre-Primary to year six are participating in a four week block of lessons. Children from years 3, 4, 5 and 6 are working with Forrestfield coach, Warren Vickers and Jack is taking the PPs, 1s and 2s.

It can get quite hot after an extended time out on the courts so please make sure that children have hats and drink bottles on P.E. day.

We're off to a great start and hoping to produce some future tennis stars!
